A woman with long, wavy brown hair and bright pink lipstick is posing for a photograph. She is wearing a black, off-the-shoulder top with lace detailing and a black corset with visible lacing down the front. Her hands are resting on her hips/thighs, and she has dark red nail polish. The background is a simple indoor setting with a window and some greenery.

ALEXIS SILVER CUMS AGAIN

Okay, I'll admit that I'm a multi-orgasmic person. I can cum many times during a fuck session. What's really cool about it is that each one is different depending on where it's coming from. A clitoral 'O' is centered on it while a vaginal 'O' is more like a wave throughout your body. And my anal 'O' is something – you'll have to keep guessing about.

What I really like about orgasms is that they vary in intensity and they have a little life of their own. Sometimes they're soft and fuzzy and sometime they're bronco-bustin' bad. Those are the kind I like most. And those happen when I'm riding the guy cowgirl-style. I can feel my big boobs bouncing hard against my chest. And that intensifies the pleasure.

They called me the pleasure bunny in college and that name stuck, because I am one. I like giving pleasure and I fuck like a bunny. But I suck cock the best. The best you'd ever have. I'd suck it like I haven't eaten for a week, then devour it again like I won't eat for another week.

Black Dolls: Thanks for Tyra. I thought I had seen her in a video, but she wasn't credit. What a huge mistake. Then I saw her in your magazine and was able to put a name to the face and body. All are A+++ in my book. And she fits the title too, except that you left out one word: *Black Living Dolls!*

Marc, NYC

same time. If only for one night, I'll fuck your brains out while you reverse cowgirl on my cock. I'd do anything to make love to you and give you a tongue bath. I hope to hear from you soon.

In closing, it'd be real special to have the chance to meet you. Love wouldn't have anything to do with it. And I'm quite sure for you to be in your groove is intact. It'd be a dream come true. Until then, I look at your pictures and until we meet, stay as beautiful as you are. Soft words from a hardened cock.

Kenneth, Portland

Editor at Black Dolls:

Earlier tonight we came home after a wonderfully romantic dinner at a neighborhood Italian restaurant. We each tried one of their new pizzas and it took us over an hour to eat them. In between bites we were so engrossed in each other we could have fucked right there in the restaurant. Only having been to-

Dear editors:

Tyra, you seem like you are one hell of a woman. I've been in love with you from the first time I ever saw you. You're in my eyes, the most beautiful, sexy, seductive hottest black woman I've seen. I just love black women and I'd be having serious fantasies about you. Your pictures are the only ones that turn me on. I just turned thirty years old and I have a gifted nine-inches of hard dick. I can definitely imagine me grabbing your hips and fucking you hard and rough. Could you take it?

I don't expect you to act like

a lady neither. You'd be surprised what I can teach you. Don't let my age fool you. You're my wildest fantasy and I'm ready to do everything you tell me as long as I can have you any way I want. I make love to your picture three times a day. You have a beautiful pussy and it stays wet.

I love eating pussy and I'll eat yours all night long. I have nice size tongue; I'll eat your pussy and asshole at the same time. You probably don't do anal, but how can you resist nine inches. I'll slip your tight little asshole wide open. Your pussy looks kind of tight also. I

promise I'll treat you like a queen in the beginning. Lord knows I wish I could have an intimate encounter with you. The sun and the moon exchange places but I wanna embrace you and exchange kisses. Get a chance to know you with no questions. I know you're hungry for some hung loving. I'm very aggressive and demanding and rest assured I'd have you hooked and screaming for more. I'm excited just writing this message. I see you now, sucking my dick while your fingers are popping yourself at the

Well, I got a sensation I never had before. I think a different type of climax occurred when my pussy was approached from the back rather than the normal way from the front.

gether a month, the romance was new and the sex was – out of this world. We took our time getting back to his place, but no time in getting into his bed.

I've only been with a few other guys, but this one really rocks me. I love everything about him, I want to eat him up, and between you and me, I think I might just end up marrying him. I'm 20 and he's 22. So we freshen up and jump into bed. Wasting no time, I start playing with his cock. It got amazingly rock hard rather quickly. Amazing, this thing called a penis. His hardness was a happy surprise for me because all of a sudden he gets on top of me and starts screwing me furiously. Instantly, my body responds to this roller-coaster ride and my tongue just starts tracing over his neck and face as we do this. My mouth wants what my pussy has, but for now I let the greedy bitch have her way with him.

There's a thing that happens with his cock that amazes me since I've not been around that many and have found those I've been with as different as the guy they're attached to. When he fucks me, I get a sensation as if it is telescoping into my pussy. As if it is one length outside me, but seems to grow lon-

ger and wider as he goes deeper into me. And that's what happened tonight. That telescoping cock did its perfect thing and I came with this wonderful gushing wet feeling all over. Oh so how I loved this sex. It was simple, but so effective.

There was one other thing he did that amazed me, too. He did something I never experienced just as I thought we were winding down for the night. I was still lying beside him and had probably already had about a dozen or so orgasms, though they're kinda hard to differentiate when they're the kind that blend together into one very long one. We're laying there basking in our latest climaxes when he rolls me onto my stomach and pulls my hips up so I'm now on my knees with my ass in the air. Then he starts playing with that tender spot between my clit and vagina after parting my labia. He starts with his fingers playing around the area with little sweeps of the fingers, soft pinches and an occasional probing entry into my wetness. Then quickly he graduates to his tongue. He mimics his fingers, but he knows it's softer and wetter. It too swirls around my little button and flicks it as it passes by.

Well, I got a sensation I

never had before. I think a different type of climax occurred when my pussy was approached from the back rather than the normal way from the front. What's amazing is that it's the exact same spot being stimulated. I wish I could tell you exactly what he was doing, but I was a moaning, sweaty limp mess by this point.

I think he was fingering my ass while something else was softly pushing into my pussy lips and engaging this special spot just below my clit. It gave me this soft, creamy feeling that was really sweet. Much of this night was like that – creamy and sweet. I kept having orgasms from the slightest wisp of a touch in just the

right places. Sometimes he sucked on my breasts and nipples, and when his mouth wasn't there, I'd get this wild suction feeling, as if my entire breasts were being pulled up into a giant sucking mouth. Then I knelt over him and we started kissing really tonguey and frantically and deep while he fucked me with his thumb and his other hand played with my ass.

When it's wildly erotic like that, I like the ass business soft, and the clit play right on the spot. I also like the strong, pointy feel of his tongue in my mouth. His tongue makes me want to put my pussy right over it and have him suck and lick it until I cannot hang on any longer.

Moments later she comes out totally nude. She has a tight cheerleader body with small but beautiful breasts.

I have to admit that the rest of the night is a blur. As I panted to catch my breath and kissed him good night, I declared the evening almost entirely indescribable but here I am sitting in the next room about to write you this email. I hope that I can describe it well enough so you can appreciate a good lover. But now that I've finished, I think it's time to wake him and do it all again. Byeeee!

— Rochelle, Buffalo

And it goes like this... We are going to go this week to a local hotel. There's no pretense that this is for anything but the satisfaction of our sexual desires. We have done this before, but this time we've been emailing each other I told her that I was bringing something new this time.

We agreed to meet at eight, and I'm first to the room. I have nothing with me except the clothes on my back and a paper bag containing various

what's going to happen. But to be reading this, guessing about it and doing it are all completely different things.

Two minutes late, she enters the room. She walks over to me and kisses me a light 'hello' while eyeing the objects on the pillows. She whispers that she likes the selections and proceeds to the bathroom. Moments later she comes out totally nude. She has a tight cheerleader body with small but

is to see which will get her off either the fastest or the best. She can be in any position she wants, but can only finger herself for three minutes with any object. She can only use one at a time and only in her pussy for this affair. After the hour is over, she'll tell me which object satisfied her the most and why. Then that object will go into our Hall of Fame while we enjoy it together, later.

Now, dear readers, the object of this letter is not to describe my girlfriend getting off using these items, but to encourage you to try something new and do something a bit more exciting in your sex life.

So... here are the results...

She selected the Pocket Rocket first, the fleshy dildo was next, the rubberized purple vibe-like thing was third, and the silver vibe last last. My choices matched hers exactly, which tells you after several plays at this, you become much more compatico.

And, for her, the winner that she selected was... the fleshy dildo. She liked how it was a lot like a man, and except for being cooler than a cock, she thought it could be warmed up in warm water. A real winner, she said.

— Antonio & lady

To the editor,

My girlfriend and I like to play a seductive little sex game before the main act. I'm writing because it may help some of your readers enjoy a more varied sex life. It has sure worked for us every time and it's really spiced things up.

items. I pull the covers off the bed so only the sheets are exposed. On the pillows I lay out four different items that will be our amusement for the evening. These consist of a fleshy dildo, a small Pocket Rocket, a silver colored vibrator and a modern rubberized purple vibe-like thing. I bet you can guess

beautiful breasts.

Let the games begin. But first the rules: I have written on a piece of paper the order in which I think she will choose the items. She has only one hour to use all of them in the order she wants. I cannot touch her or say anything during that hour. The object

Man-oh-man that was hot. I liked fucking this guy. He's so sweet and me so horny that it didn't take any time to get off. Then it was his turn. I sucked and milked that cock like the dirty dog of a girl that I am. I think he liked it, too, because he deposited a quart of cum on my chest.

I was blessed with this booty and I try to keep in shape. I run a few times a week and do a some different butt exercises when I can. I love to go to clubs and shake it there. That's the best exercise of all. I even will clench my butt muscles when I'm riding as a passenger in a car. I know the guys want to get behind a nice looking ass when they're fucking doggie style, so I do my best to keep it looking good for them, as well as myself, of course.

just a little something to take my mind off football

So I'm watching Florida State beat up on Miami. It's the fourth quarter and the Seminoles are up by 31. My girlfriend, Shonelle, and her friend Keesha, are in the kitchen talking and laughing their heads off. At the end of the quarter, I go in there to get me a drink. As I pull a beer out of the fridge, Shonelle tells me that they're going to the mall and do some window shopping, and they want me to come along. I pleade my case that it's a great game and the score is close and I want to watch it to the end. Keesha blurts out that Miami is down by five touchdowns. I correct her and say four. "Aha!" Keesha says. "It's not close at all." Caught, or should I say, tricked. They tease me some more and I give in and I say give me fifteen minutes to get ready and I'll go with them to the mall, as long as we get back by six so I can watch the USC-Oregon game.

The three of us jump into my car and we head off to The Avenues mall. It's a huge mall just off Route 1 in Jacksonville. So, we got to the mall about two in the afternoon and went inside. As we were walking, Keesha asked where we should go first and Shonelle said we should hit A&F first. We went in and Shonelle picked out a few things and said she wanted to try them on. So we went to the dressing room and she grabbed both of us by the hand and said she needed our opinions. She pulled us both into the small room and closed the door. As soon as the door closed she grabbed her Keesha and kissed her forcefully and started unbuckling my pants. Soon we were all three naked and feeling each other up. I pushed Shonelle to a kneeling position and stood Keesha in front of her. With one of her feet on the bench Shonelle was at the right height to eat her friend's pussy. I walked up behind Keesha and pushed her to where she was slightly bent over.

I took my rock hard cock in my hand and aimed it at her sweet, dark pussy.

I slid my dick into her as she moaned, as Shonelle started to play with her friend's tits while she tortured Keesha's clit with her tongue. I grabbed Keesha's hips and started

thrusting into her hot tight pussy. With the stimulation from both of us it took no time for Keesha to cum. I could feel my nuts tighten up so I pulled out of her. I slid my dick between her legs, thrusting until I came in long, white ropes on Shonelle's face. Shonelle came from the rough rubbing she was giving her clit. As we got dressed Keesha asked Shonelle if she liked the clothes. She said she did and Keesha said "good because with

the mess we made I'll have to buy them anyway." As we walked out of the dressing room one of the ladies that worked there was watching us. We walked up to the register and dropped the cum covered clothing on the counter "We'll take these here." Shonelle said with a big smile. The cashier bagged them and rank us up as we all giggled at the situation.

"Where to next my loves" I asked as we walked along the mall aisles. I wanted to go to the sporting apparel store to get some new shoes and shirts for basketball practice. In the store the girls had me try on a few of the items I picked out. The girl working there smiles at me when I took off my shirt to put on the sleeveless b-ball jerseys. Her smile caught Shonelle's attention and she walked over and grabbed me around the waist from behind. She kissed me on my shoulder while glaring at the girl with a fuck-off look plastered on her face. Me and Keesha kind of laughed and Keesha said "Calm down, baby, he

belongs to us... all day long.” Shonelle shocked us both when she said “I only share my guys with who I want and I don’t want her.” We paid for the items and headed out of the store. We went to a few more stores after that one, taking our time in some and lingering in others.

We were at our last store when I reminded the ladies that they promised me I could get back in time for the late game. “Well then, we better hurry up.” Keesha said grabbing our hands and rushing towards the mall rest rooms. She pushed open the men’s room door I checked to see if it was clear – which it was. They hurried in and locked the door and started kissing and groping me and each other. I let my pants and boxers drop to the floor and started to undo Keesha’s skirt. She panted out that there wasn’t enough time for that and bent over the counter pulling her panties off. Before I could move, Shonelle had her tongue shoved deep in Keesha’s pussy. So I pulled down her shorts and panties and shoved my cock deep into her pussy. She let out a loud moan as I kept pounding her hot, tight pink hole. Shonelle started to shake and she stiffened up as she came on my cock.

I pulled my throbbing cock out of her and moved over to Keesha. She dropped to her knees and took my cock into her mouth. Shonelle grabbed her friend’s hair and pushed and pulled her head up and down. One final thrust and I shot what I had left into her mouth. Shonelle pulled Keesha’s head back and kissed her swapping my cum with her. We composed ourselves and left with our bags in hand. After the half-hour drive back home, I pulled the car into the driveway. We all went inside and I headed for the sofa, the TV and my ball game.

Saturday was usually my and Shonelle’s night to have our time. Keesha usually sat on the computer and chatted with her other friends. Shonelle and I would sit in our room and usually watch a dirty movie, then have sex afterwards. Today though Shonelle wanted to spend time out in the living room watching the game with me, she said. Keesha

also decided to stay home and was in her pajamas. A little later Shonelle came into the living room wearing nothing but a g-string and see-through nighty. She walked over to the TV and blocked my view. She bent over and opened the dvd drawer of the player. Suddenly the game was off and a movie came on. Shonelle turns back towards me and walks over to the sofa. As she sat down I noticed it was a dirty movie all about threesomes.

As we were watching the movie I got a hard on and I could tell Shonelle was getting all hot and bothered, too. The one thing I didn’t notice was that Keesha had moved over on the other side of Shonelle. She started to rub Shonelle’s right thigh. Each time Keesha moved her hand up she got closer to Shonelle’s pussy. When she finally reached Shonelle’s pussy, that’s when I noticed Keesha was over there because I was already rubbing Shonelle’s pussy. When Keesha’s hand touched mine, Shonelle and I looked at her. Shonelle smiled and leaned over to start making-out with Keesha. Meanwhile, I had moved Shonelle’s g-string aside and started rubbing her clit. Keesha had taken off Shonelle’s nighty and started to play with her boobs.

Shonelle lifted up Keesha’s top and started to suck on her tits. Meanwhile, I had moved

down and slipped off Shonelle’s g-string. I started to eat her out while she moved down Keesha’s luscious body and pulled off her thong. She started to eat Keesha out. Then Shonelle stopped and said, “Why don’t you jump on top of me and lets sixty-nine while I eat Keesha out and suck on your cock.” I obliged and took my shorts and shirt off while Keesha and Shonelle took what was left of their pajamas off. I got on top of Shonelle. I stuck my hard cock deep down Shonelle’s throat and leaned down to start eating her out to my surprise I felt another tongue on my balls. I looked back momentarily and saw Keesha there. I went back to eating Shonelle out.

After about ten minutes, Shonelle stiffened and started

(I stuck my hard cock deep down Shonelle’s throat and leaned down to start eating her out to my surprise I felt another tongue on my balls.)

Keesha was still sucking on them and must have noticed me stiffen too because she started to lick and suck my balls even faster.

her orgasm. I quickened my pace while her and Keesha continued their assault on my cock and balls. Soon I felt a tingling in my balls and I started to cum. Shonelle pushed me up and I came all over her face and boobs. As I stood up, Keesha leaned in and started to lick my cum off Shonelle's face and boobs. My now half-limp cock still had some cum on it and Keesha leaned over to suck it off. As her puffy lips touched my cock, I started to get hard again. Shonelle, in the meantime, had now started to eat Keesha out. I started to hear Keesha moan and I noticed she was starting to wiggle on Shonelle's face. This turned me on even more and I started to get harder as my cock was Keesha's mouth. After about a few minutes Keesha tensed up and orgasmed. She was still sucking my cock as Shonelle scooted out from underneath of her. Shonelle left the room for a few seconds and returned with a strap-on. She put it on, slid under Keesha, slipped it into Keesha's already sopping wet pussy, and started to pump up and down. Keesha started moaning louder and louder with her mouth still around my cock.

I felt Keesha stiffen again and orgasm. She sucked my cock harder and started to play with my balls. With each movement from Keesha and Shonelle I knew it wouldn't be long before I came again. After about five minutes my cock hardened harder then ever before and I started to cum. Keesha took wet rope after rope of my hot cum down her throat. As I finished cumming Keesha released my cock and I saw a few drops drip onto Shonelle's boobs. Shonelle took her fingers and wiped my cum off her boobs and licked it off. Keesha then stood up and Shonelle took the strap-on off. She wrapped her lips around it and licked Keesha's juices off it.

I then helped Shonelle to her knees and put my now limp cock into her mouth. She started sucking it. I could feel it getting hard again. Once my cock was fully hard, I pulled it out of her mouth and helped Shonelle to her feet. I turned her around and told Keesha to lay down. I then told Shonelle to lay on top of Keesha in the sixty-nine

position. She did and I then stuck my cock deep inside Shonelle's pussy. Keesha took the hint and started sucking on my balls as I started to pound Shonelle. As I was pounding away my right hand slipped and my thumb went into Shonelle's ass. She stopped eating Keesha out and let out a gasp.

I grabbed to dildo out of the strap-on and instead of putting it in her ass like she said I pulled my cock out of her pussy and stuck that in her ass instead. I then put the dildo into her pussy. Keesha saw and grabbed it out of my hands and started pumping it in and out at a fast pace. I could feel the dildo sliding in and out of Shonelle's pussy through her ass walls. So I waited and started going in rhythm with the dildo in Shonelle's pussy. Suddenly Shonelle stiffened and her ass tightened around my cock. I kept pumping as she orgasmed and Keesha kept moving the dildo in and out of Shonelle's pussy. Shonelle's orgasm

lasted for about three minutes and then I felt a tingling in my balls. Keesha was still sucking on them and must have noticed me stiffen too because she started to lick and suck my balls even faster.

As I started to cum in Shonelle's ass I heard her grunt a few times. When I finished cumming my almost-limp dick slipped out of her ass and Keesha was

ready to start sucking the last remaining drops out of my cock. I stepped back and looked at both girls. "Well ladies shall we go get cleaned up and get some sleep?" I questioned. We all got up and went to go shower. We lathered up and they both gave me head at the same time. After our shower, we all went to my room. We all slept together with a girl on either side of me. After that night we changed Keesha's room into a movie room and we all sleep together. We often use the movie room on the weekends to satisfy ourselves. Now everyday after work when we get home, we all just walk around the house naked and have sex until bedtime. And there will be times that Keesha and I will go at it while Shonelle sleeps next to us. Am I a happy man, or what?

I love Jamaica, but I love Los Angeles even more. When I first came here, I was lost girl, looking for anything and anyone to make me happy. When I realized how many men were here, I decided I was going to get my share. And what's great about the states is that they come in every size, and color, and hardness. I have had a good sampling and decided I like the taste of your American men.

So I travel back to Jamaica every summer and now I can easily find the fuckable boys there. I tell them about these great American cocks and how hard they are and how long they can go, it just makes them go after it even harder. Now, I decided that can have it both ways.
